Introduction

This Rate Card is available to outline the services that WWM CRC offer. It outlines both mandated and elective services along with Through the Gate interventions available. For more information on the services we offer, please visit our website, www.wwmcrc.co.uk, where our services guide is available along with the Intervention Applications, that will allow users to compare services available and access technical information about referrals.

	Section	Services
	1	TTG Mandatory Services Summary
Part 1	2	Unpaid Work
	3	Accredited Programmes
Part 2	4	TTG Elective Services - Custody
	5	Elective Services - Community

Each page offers information on the services available through WWM CRC, including a description of the service, duration of interventions, the delivery model, targeted outputs, location and availability as well as any exclusions. It also outlines the services on offer from the CRC directly and those that we offer through our supply chain.

Resettlement and Elective Services are purchased through the use of specific Non Statutory Interventions (NSIs) on NDelius, Requirements such as Accredited Programmes can be transferred as NDelius requirements to the CRC.

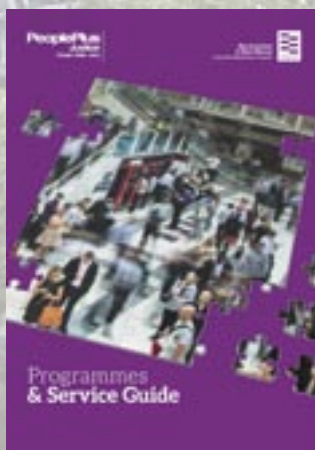

Available On-line

The Intervention App for Offender Manager to outline all details of the Interventions available including technical information on NSIs and Intervention lead contact details

The Intervention App for Court staff giving information and advice on all of the Interventions available through WWM CRC and other Court Ordered requirements.

The Programmes and Services guide for Sentencing. A guide to the available services for sentencers with availability and eligibility criteria.
